Preserving Place And Community For Future Generations

## 2024 HONOR AWARDS Call For Nominations

The annual Missouri Preservation Honor Awards recognize individuals, groups, and organizations that have contributed to the preservation of Missouri's rich and diverse collection of historic resources. This program is a primary part of our efforts to advocate for the future of preservation in Missouri. State legislators are invited to the ceremony to present resolutions to their constituents. Help us recognize someone in your community. The 2024 Honor Awards ceremony will be held in the rotunda of the Missouri State Capitol on Tuesday, April 23<sup>rd</sup> followed by a luncheon at a nearby historic venue.

### About the Awards

#### The Rozier Award

Named in honor of Elizabeth McReynolds Rozier, one of the founding members of Missouri Preservation and a noted Jefferson City Preservationist, the Rozier Award was established to recognize individuals who have made significant achievements in the field of historic preservation in Missouri. This is Missouri Preservation's most prestigious annual award.

#### The McReynolds Awards

The McReynolds Awards, also named in honor of Elizabeth McReynolds Rozier, are given annually to encourage individuals or groups who have made significant achievements in the field or are in the midst of a long-term preservation project. The McReynolds awards are among the most important awards given out each year by the organization.

#### Osmund Overby Award

The Overby Award was established in 2003 to recognize published works that contribute to the documentation and interpretation of Missouri's architectural history and honors Dr. Osmund Overby, Art History Professor Emeritus and former head of the historic preservation program at the University of Missouri, Columbia.
