

Missouri Preservation Conference

TRADE SHOW OPPORTUNITY

The annual **Missouri Preservation Conference** is headed down Route 66 to Lebanon, Missouri! Our conference brings together preservation professionals and enthusiasts from across the state and the surrounding areas for three days of networking and educational opportunities. The conference also features a trade show of preservation-related businesses and other organizations that support our field, from historic window repair to environmental remediation. This is a great opportunity to connect directly with preservation professionals and representatives from communities all across the state!

Price: \$600*

Vendor space includes a 6' table, 2 chairs, and electrical hookup (upon request). Vendor will be listed on the conference webpage and in the Missouri Preservation Resource Directory for (1) year. Reservation is for (1) individual and includes 2 networking receptions, snack breaks, and the State of Preservation Luncheon. Additional attendees may be added for \$100/ea.

**ask us about a nonprofit discount and/or sharing a table with another organization*

Location

Kenneth E. Cowan Civic Center
500 Elm Street
Lebanon, Missouri 65536
